USE-CASE MAP

Where retail teams can use AiBI immediately.

Concrete, role-specific use cases replace generic AI advice.

LOW RISK

Draft a coaching script

Turn a scenario into a clear conversation guide with escalation triggers.

Artifact

Branch coaching guide

MED RISK

Recover a member service issue

Generate a service recovery message that owns the issue and clarifies next steps.

Artifact

Service recovery template

LOW RISK

Write a frontline reference card

Condense a dense procedure into a one-page job aid.

Artifact

Procedure cleanup card

MED RISK

Prep for a difficult conversation

Practice talking points before a member call without using customer specifics.

Artifact

Conversation rehearsal notes

BRANCH OPERATING MODEL

A repeatable rhythm for branch managers.

01

Spot

Identify a recurring scenario that takes too long, drifts off-script, or misses a recovery step.

Artifact produced

Scenario log

02

Sandbox

Practice in the sandbox using fictional details — never a real member story.

Artifact produced

Drafted coaching artifact

03

Coach

Run the artifact with one teller, refine it, then roll it out to the team.

Artifact produced

Branch coaching session

04

Capture

Save the working version to the Toolbox so the next manager does not start from scratch.

BRANCH / RETAIL PLAYBOOK

Move members. Coach the team. Keep it human.

AI saves your frontline two hours a week, but only if the artifacts are practical and the tone is right. This playbook makes both happen.
