USE-CASE MAP

Where marketing teams can use AiBI immediately.

Concrete, role-specific use cases replace generic AI advice.

MED RISK

Draft three campaign variations

Get three on-brand variations with disclosure prompts flagged.

Artifact

Campaign variation set

HIGH RISK

Run a pre-review disclosure check

Catch missing or weak disclosures before the compliance round.

Artifact

Disclosure review checklist

LOW RISK

Translate product specs to member language

Turn dense product specs into plain copy without losing precision.

Artifact

Plain-language product brief

LOW RISK

Generate visual brief from copy

Hand designers an aligned brief instead of a Slack thread.

Artifact

Creative brief draft

MARKETING OPERATING MODEL
