AI Workflow SOP Template

A one-page workflow SOP for any AI-assisted task. Documents the unit examiners actually look at: input, output, retention, review.

For: Operations, compliance, lending, any team running AI-assisted work 6 min

WORKFLOW NAME

Short, specific. "AI-assisted procedure cleanup for KYC refresh" — not "AI for compliance."

OWNER

Named person and role. One owner per workflow.

PURPOSE

One sentence on what this workflow produces and why it exists. The business outcome, not the tooling.

INPUTS

Every input named, classified, and bounded:

- Data sources (named systems, named files, or named buckets).

- Data class (public / internal / confidential / regulated).

- Volume — typical and maximum per run.

- Refresh cadence — when inputs are pulled fresh.

AI TOOL

The approved tool used in this workflow:

- Tool name and version.

- Approved-list reference and approval date.

- Prompt template ID — the saved prompt this workflow runs.

OUTPUT

What the workflow produces:

- Artifact type (document, summary, decision draft, etc.).

- Destination — where the output is stored.

- Intended consumer — who downstream uses it.

HUMAN REVIEW

The HITL checkpoint:

- Reviewer role.

- Review criteria — what the reviewer is checking for.

- Review evidence — how the reviewer's attestation is captured (signature, ticket, notation on the artifact).

RETENTION

Per [Institution]'s records retention schedule:

Input retention period.

Output retention period.

Prompt / model interaction log retention period.

Reviewer attestation retention period.

EXCEPTIONS

What triggers an exception, who decides, and how the exception is documented. Default behavior on exception: stop the workflow and route to the owner.

REVIEW SCHEDULE

When this SOP is re-reviewed:

Annually.

On tool version change.

On a regulatory change applicable to the workflow.

On any incident involving this workflow.

ADAPT BEFORE ADOPTING

These are starters — not final policy.

Every template names a section your institution should change. Bring it to your committee, your auditor, and your examiner before adoption.
